ASTROJET™ 140

The AJ-140 Printer; fast, economical and easy to use. Desktop address printer combines reliable Inkjet technology with a new user-friendly touchscreen to print sharp addresses, graphics, logos and barcodes on envelopes, postcards and more. Bright color Touchscreen Display simplifies Printer operation and monitoring. Designed for standalone desktop operation or inline integration with a conveyor system. Built to last with solid steel construction. Feeder, Drop Tray and Conveyor are also available.

Product Highlights:

- **Operator friendly Touchscreen Display:**
  - Monitor printer status, ink levels, job status and more at a glance
  - Touchscreen buttons control often-used printer functions
- **Clean, smear-free printing on envelopes and other media – up to 600 DPI**
- **Fast: print speeds up to 22,000 #10 envelopes per hour**
- **Economical. Very low cost-per-copy**
- **Media Adjustment handles a variety of media up to 10" wide and 1/4" thick – from small envelopes to thick corrugated cardboard and padded envelopes**
- **Uses proprietary ink cartridges.**

Specifications:

|
